Superintendent P. C. Emmons

Mr. Emmons has served faithfully as Superintendent of Public Schools in Mishawaka for nine years. Through his untiring efforts, he has created one of the finest school systems in Indiana, and has done much to promote educational facilities. He has proved himself to be a most capable, energetic man and has won the confidence of students, teachers, and townspeople, who sincerely appreciate his successful work.

Principal C. C. Cauble

Mr. Cauble, who for nine years has been principal of Mishawaka High School, has endeared himself to numberless students by his kind sympathy, faithful interest, and cooperative spirit. It was with deep regret that Mishawaka received, early this spring, the announcement of his resignation. The class of 1930 takes this opportunity to express their wish that he may enjoy a successful and happy future.

Elizabeth F. Evans A.B., Lora J. Duguid A.B., Gertrude Glockner A.B., M.A., Leila B. Heimbach A.B.

# English Department

The English course is developed in a series of interesting phases. Each year, in addition to the regular prescribed courses of literature, grammar, and composition, minimum essential tests are given to the students to determine whether or not they have mastered the fundamental requirements of English. To encourage the ability of self-expression, inter-class oratorical contests are sponsored yearly by the English department.

In this department we have the very capable services of Miss Cravens, Miss Duguid, Miss Evans, Miss Glockner, Miss Heimbach, Miss Stearns, Miss Bugbee, and Miss Moist. Miss Heimbach also has a journalism class and is faculty sponsor of the Alltold, while Miss Stearns is faculty advisor of the Miskodeed.

### Foreign Languages

It is the aim in the language classes, French and Latin, to have the pupils acquire the ability to read, write, speak, and understand the language they are studying, and to make this ability of practical use and value. Miss Wyland and Miss Bugbee are the Latin teachers, while Miss Rosenberger is the French instructor.

Jean M. Cravens A.A., A.B., Catherine F. Stearns A.B., Ruth Bugbee A.B., Lola Jane Rosenberger A.B., Zoe Wyland Ph.B.

A. J. Amos B.S., Beulah Buchanan B.S., Harry H. Hatcher A.B., Perle Marie Parvis

### Commercial Department

The value of the Commercial Course to the entire school and business world can hardly be estimated. The aim of the department is to train for efficiency in commercial work and to create a business attitude on the part of the students.

For two consecutive years the Commercial Department has won the state championship in the annual Commercial Contest held at Muncie, Indiana, and has made very brilliant showings in the preceding years.

The different subjects offered are: typing, penmanship and spelling, stenography, bookkeeping, arithmetic, commercial geography, and commercial law. The instructors are Mr. Amos, Miss Buchanan, Mr. Hatcher, and Miss Parvis.

## History and Vocational Guidance

The History Department gives students of European history a valuable cultural background followed by an understanding of modern European problems; while the American history, government, and economics courses are designed to give an appreciation of the place of the United States among the nations.

Through a program of individual counselling, in addition to class-room instruction in citizenship, the department of Vocational Guidance purposes to guide and prepare pupils to select vocations.

Mr. Chapman is chairman of both branches. Other instructors in history are Mr. Smith and Miss Perkins, while Miss Welch and Mr. Whitmer teach in each department.

F. W. Chapman A.B., M.A., Ruby V. Perkins A.B., M.A., Glenn I. Smith A.B., M.A., Dorothy E. Welch A.B., L. I. Whitmer A.B.

Florence Erwin A.B., Jennie E. Sasse B.S., Jayne Ferguson B.S., Thelma Snyder B.S.

### The Library

The library, one of the outstanding educational facilities offered to students in Mishawaka High School, is under the direction of Miss Erwin.

### Home Economics

Miss Sasse, Miss Snyder, and Miss Ferguson, instructors in the Home Economics Department, help prepare the girls of Mishawaka High School for useful living by offering such popular courses as clothing, foods, home nursing, child care, and household administration.

### Science and Mathematics

To broaden the student's knowledge of the influences of nature and to develop a spirit of inquiry toward his environment is the aim of the Science Department under the direction of Miss Ulrey, instructor in biology, and Mr. Wood, who teaches chemistry and physics. Mr. Broman, Mr. Dahl and Miss Moist are the mathematics instructors.

Lorraine Ulrey A.B., Darl F. Wood A.B., R. A. Broman A.B., Lester C. Dahl A.B., M.A., Margaret C. Moist A.B.

Nell Humke, Lucine E. Jones B.M., William J. Middleton B.S., Everett S. Sprague B.S.

### Art and Music

To create a love for the beautiful and to train the students in the executing of artistic designs have been the aims of the Art Department, supervised by Miss Humke.

The Music Department, under Miss Jones, has become one of the most interesting in the school. Courses in music appreciation, chorus, glee club, and orchestra afford excellent training for the many students who annually choose a course in music as their elective.

### Vocational Department

One of the greatest evidences that Mishawaka is in step with the educational world is proved by an inspection of the course of study in the Vocational Department and the shops.

This department offers training to those who wish to enter engineering colleges and those who wish to learn a definite trade or a variety of trades.

Mr. Middleton is at the head of this department and he also is in command of the automotive shop. Mr. DeCroes and Mr. Sprague are teachers in the mechanical drawing and drafting departments. Trade mathematics is also taught by Mr. DeCroes. Mr. Needler has complete charge of the machine shop, and is able to train the boys to become skillful in industrial work of this type.

Herbert C. DeCroes, Harold Goepert B.S., Dwight L. Marsee B.S., Clarence A. Needler B.S., Shelby S. Shake B.S.

Frank M. Steele, Grayce Talbott, Ida L. Betts, Margaret Denton, Audrey Milliken

### Physical Education

"A sound body and a sound mind" is an old maxim, but the veracity of it is not forgotten in the Physical Education Department of Mishawaka High School. Miss Talbott is the girls' instructor, while Mr. Steele has charge of the boys' athletic activities. In addition to the regular physical training course which is given two or three times a week, hockey, volleyball, basketball, football, tennis, and track play a prominent part in the interests of Mr. Steele and Miss Talbott, as well as the students.

Miss Talbott is faculty sponsor of the Girls' Athletic League, and her faithful interest in the success of this organization clearly proves her ability as a leader. She also holds the position of city athletic director for girls. Mr. Steele, besides having gained fame and popularity as the efficient football coach of Mishawaka High Schol, is general director of city athletics. Coach Steele is also in charge of the city park play grounds during the summer.

### Office Staff

Mishawaka High School is fortunate in having a very well-qualified and competent office staff. Miss Denton, an alumna of Mishawaka High School, serves as secretary to Mr. Cauble. Miss Milliken, another graduate, is in charge of the bookshop, and Miss Betts is Financial Secretary of the School Board.

The bookshop provides an economical and convenient source for the purchase of school supplies. The profits derived from the sale of books and other supplies is used to obtain new books for the school library and to maintain the present collection.

As freshmen the class of '30 were good followers. They supported all projects sponsored by the upper-classmen, which is all that is expected of "freshies." However, the girls won the hockey championship, showing that they wished success from the beginning of their high school career.

When the class organized in its sophomore year, Joe Brady was elected president. The boys won the interclass basketball tournament, while the girls were again successful in hockey and presented a strong basketball sextet. The class displayed their dramatic ability by presenting three one-act plays, "Not Quite Such a Goose," "You," and "The Fiddler," which were coached by Miss Leila Heimbach and Miss Lola Jane Rosenberger.

There were definite goals which had to be attained in their junior year. The Juniors elected competent officers with Stanley Niles as president of the class. Living up to their previous records, they delighted the audience when "Billy," a three-act comedy, was presented. The Junior-Senior prom was an occasion not soon to be forgotten, for it was the most important social function of the year.

When senior officers were chosen, Joe Brady was again elected president. A successful old paper and magazine drive was conducted by the class. As seniors, they again won the interclass basketball tournament. "The Senior Shuffle" was a clever spring dance sponsored by the class. "Royalty Returns" was the name of the entertaining three-act production presented by the seniors. It was ably coached by Miss Margaret Moist.

# The Juniors

ROBERT FUSON	President
James Shamo	 Vice-president
DONALD DODT	 Secretary
WILLIAM VAN DER VOORT	 Treasurer
ELIZABETH GARNS	 Board of Control

The Juniors have proved that they are more than an ordinary class. They are not contented to do one thing, but, instead, they have determined to do many things and do them well.

As sophomores, they chose Richard Seaman to guide them as president Since he was a capable leader, the year was a successful one. To prove that they were socially inclined they have sponsored successful Hallowe'en parties. They were well represented in football, track, and basketball. Since they were not the type to neglect lessons for good times, many were elected to membership in the Honorary Scholastic Society.

The Juniors are a class with unusual dramatic ability. They presented "Penrod and Sam," a four-act comedy, in their sophomore year, and "Captain Applejack," a three-act farce in their junior year. Both plays were well received. The superior coaching of Miss Lora Duguid contributed largely to their success.

The class of '31 chose competent persons to fill the class offices during their junior year. The honor of editor-in-chief of the 1931 *Miskodeed* was conferred upon Richard Seaman, who is known to be capable and congenial.

The annual Junior-Senior promenade was a gala affair, the most impressive dance of the school year, the success of which was due the Junior Class, for the Seniors were guests of honor.

The success of the class lies largely in the hands of such capable advisors as Miss Snyder, Miss Duguid, Mr. DeCroes and Miss Ferguson.

Much is expected of the Sophomore Class for they have displayed exceptional talent in many different departments since they entered Mishawaka High School.

They were quite outstanding in that three of the members of the varsity basketball team were sophomores. During the year they were active in other branches of athletics, including football, baseball, and track.

The head cheer leader, Lawrence McCoy, was a member of the class. His unusual ability as a leader afforded him the position generally held by an upper-classman.

"The Three Graces," a three-act comedy, was presented by members of the sophomore class on December 11 and 12. A large cast of enthusiastic students interpreted it in a truly collegiate manner.

That eighteen sophomores are members of the H. S. S. proves that they are capable of gaining high scholastic as well as dramatic and athletic standards.

The Board of Control is the most important organization in Mishawaka High School. Its purpose is to cultivate a cooperative and friendly spirit between the members of the student body and the faculty in dealing with finances, disputes, and discussions concerning athletics, social activities, and general school management. The Board of Control has complete supervision over all financial affairs of the different school clubs and organizations; however, any organization may withdraw its funds or use them in any way, provided the transaction passes through this organization. This year a new system was introduced, whereby the treasurers of the clubs keep records of all their organizations' business. In this way the comptroller can keep close check on the club's financial standing; the treasurer has an accurate account of it; and there is small chance for mistake.

From the athletic fund, the Board of Control receives the largest of its receipts, five per cent of which is set aside in a miscellaneous fund that was created in order that entertainers and artists might be brought to Mishawaka High School for assembly programs.

Perhaps the highest honor that can be bestowed upon a Mishawaka High School student is that of election to membership in the National Honor Society. This society stands for scholarship, service, character, and leadership.

Through the efforts of Mr. Chapman, head sponsor, it received its charter in 1929 from the National Board, the head of several hundred chapters of this society throughout the United States.

Only five per cent of the junior A's and fifteen per cent of the seniors ranking highest in the four prime requisites of endeavor are eligible for membership. Membership is decided by a Faculty Board composed of Mr. Cauble, Mr. Chapman, Mr. Broman, Miss Cravens, Miss Buchanan, and Mr. Wood.

The emblem of this society is the keystone and flaming torch. "To bear forward the searching light of truth, to lead that others may follow the light, to keep burning in our school a high ambition for the enduring value of life, and to serve—these purposes are symbolized in the torch."

As another representative of its scholastic activities, Mishawaka High School has among its organizations the Honorary Scholastic Society. This organization aims to promote a friendly relationship among those students aspiring for high scholastic standing, and to raise the standard and importance of scholarship in Mishawaka High School.

Membership is taken from those members of the sophomore, junior, and senior classes who maintain a scholastic standing which places them in the upper five per cent of their classes and who have an average of ninety per cent or over. If, at any time, the average of a certain member falls below the standard held by this society, he is placed on probation for one semester; if his grades do not reach the standard of the society at this time, he is automatically dropped.

The sophomores are associate members and wear bronze emblems instead of the silver ones worn by the other members. Each year the Honorary Scholastic Society presents to the valedictorian of the graduating class its highest award, a gold emblem, in recognition of his achievement.

The Quill and Scroll is one of Mishawaka High School's newest societies, having been organized in 1929 through the efforts of Miss Heimbach, teacher of journalism and director of the *Alltold*, the school paper.

Throughout the United States, there are about three hundred chapters of the Quill and Scroll, a national honorary society for high school journalists; consequently membership in this society is a distinction. The national Quill and Scroll was organized in Iowa City, April 10, 1926, for the purpose of rewarding and encouraging high achievement in journalistic work. Students, to be eligible for the Quill and Scroll, must meet the following requirements at the time they are elected:

- 1. They must be of at least junior standing.
- 2. They must be in the upper one-third of their class in general scholastic standing.
- 3. They must have done superior work in some phase of journalistic work.
- 4. They must be recommended by the supervisor.
- 5. They must be approved by the national secretary.

At an impressive ceremony held on March 4, eight new members were inducted into this society, making a total of nineteen students of Mishawaka High School who have been made members of the society.

To arouse enthusiasm among Quill and Scroll members in superior, creative journalistic work, a contest was introduced from which the best manuscripts were taken for the 1930 edition of the book, "Best Creative Work in American High Schools." Several Mishawaka High School members competed, but recognition of achievements will not be made until October 1, 1930.

This club, which reflects for high school boys the ideals of the Y. M. C. A., is a highly respected and admired organization in Mishawaka High School. The twenty-five boys who attempt to carry out the Hi-Y standards of high school life make their organization an active, living thing. They try to reflect in all their activities as a group and as individuals the four specific aims of the club, cleanliness in their living, speech, scholarship, and sportsmanship.

The interest of the members is held constant by weekly meetings. Besides these regular meetings, discussions groups are held, and outside speakers obtained for the evening. There are also occasional social activities and parties.

One of the ideals of the club, clean sportsmanship, always receives active attention. This year the group exhibited its interest in different ways, culminating its efforts with the South Bend-Mishawaka annual Hi-Y football banquet, which was a very successful affair, with a large attendance, and a very interesting evening of entertainment.

The Hi-Y Club has this year ably upheld the high reputation which efforts of members in previous years have gained for the organization, and all of the students of the high school respect the club and think of it as an organization of which the school may be proud.

Since its organization in 1921, the Engineering Club has played an important part in the activities of the high school boys. The club was formed by Mr. Kable and Mr. Sprague, and has an enviable record.

The purpose of the organization is to help its members to secure useful information about different trades and to find some occupation for which they are fitted.

Membership in the club is open to any boy who is taking a vocational or industrial subject.

Much credit for the success of the club and for its interesting meetings is due Mr. Needler, the sponsor.

This year twenty-two boys attended the annual Purdue Round-up which took place May 8, 9, 10. The boys were given an opportunity to observe technical training methods, besides having a very enjoyable visit.

Prizes for constructive work have been won by the following boys: first prize, Ray Baumgart; second prize, Donald Hunt.

Members of the Girls' Athletic League are actively interested in all sports. From the beginning of the hockey season until the close of track, they show boundless pep and enthusiasm.

A point system is the basis for the awards which are given each spring to the outstanding members of the club. Points are won by the girls who play on interclass teams, or who take part in other G. A. L. activities. Hockey, volleyball, basketball, track, and baseball are the chief sports. This year there are two new awards. A G. A. L. pin can be purchased by any member who has three hundred points. Senior members of the league who are on the honor roll receive an Honorary Athletic League pin. One hundred points are necessary for club membership and a monogram, four hundred for the numeral award, eight hundred points for a letter, and one thousand for a sweater.

The annual G. A. L. banquet, at which all awards are made is one of the important social events of M. H. S. Sweaters were given to Martha Aulenbach, Doris Eberhart, and Vera Jewell. Mary Jane Bless and Mary Agnes Christianson received letters.

Besides their regular activities, the G. A. L. sponsored an enjoyable week-end camping trip at Camp Tanadoonah, Pleasant Lake. The newly organized dancing club also has the support of the league.

The small group of artistically-minded Mishawaka High School students have a splendid chance to add to their class-room study of art through the Art Club. This group is organized under the sponsorship of Miss Humke, who conducts the semi-monthly meetings in the form of an Art Appreciation class held after school. Lectures given by Miss Humke on great artists and their paintings, films on art, and many other educational features made these regular meetings valuable and interesting events for the members.

The activity and enthusiasm of the members this year made the club one of the liveliest organizations in the school. The members began at once with plans to accomplish this year's main object, to buy statuary to add to the present equipment of the art room.

The club was not only a source of improvement in the art department, but was a means of valuable instruction and enjoyment to all the students enrolled. The afterschool classes and the occasional social events were well attended, and unanimously declared highly enjoyable events by the participants.

The Home Economics Club has become familiar to the school as an active group of girls organized under the sponsorship of the teachers in the Home Economics Department. The large membership shows that its purpose of better fellowship for the girls and greater interest in the department has been unusually successful this year.

The club is guided by a council of twelve girls, including the president and other officers of the group, together with the assistance of the sponsors. They arrange the programs for the regular consultation period meetings, and provide much that is of interest and enjoyment to the girls. There were many instructive meetings during the year at which talks were given on many subjects of concern to girls interested in the department. The group singing, which was a part of most of these meetings, was a source of pleasure to all.

Not all the activities of the club, however, were of a serious, purely educational nature. There was one meeting at which a jolly program was put on by the council members. At that time, also, they introduced their "Kitchen Cabinet Band," which at the repeated demands of the girls, was made a permanent organization. There were social activities, too, which were unanimously voted delightful by the members. There was a Hallowe'en party and a Christmas party which were equally enjoyable and successful.

The Commercial Club was organized several years ago for the purpose of promoting interest in commercial work. Since that time, it has rapidly grown into one of Mishawaka High School's largest and most active organizations. Its membership is now approximately seventy-five.

This has been an unusually successful and outstanding year in the Commercial Department; during the year, the club has been very successful in everything it has undertaken to do. The season was started with several meetings for the purpose of organization and enrollment. Throughout the year the Commercial Club sponsored several movies at uptown theaters in order to raise money.

On November 20-21, the Commercial Club presented its annual "Vodevil" which was unusually successful. Its large cast and clever acts made it one of the outstanding productions of the year. During this season the Commercial Club planned and carried through several very unusual and entertaining programs; among these were the Alumni Meeting, the Hallowe'en Party, and a commercial meet with Bremen and Plymouth.

On April 12, Mishawaka held the annual District Commercial Contest where they proved their superiority by winning by a large score. On April 25, five of six commercial teams left for the State Contest, at Muncie. The Commercial Club awards its contestants Monogram "M's" and numerals each year.

On May 14, the Commercial Club held its annual banquet which was one of the outstanding social events of the school year. At this banquet the Commercial Club was honored by having representatives from Gregg Publishing Company, the local Chamber of Commerce, and the State Contest Committee, who made various awards and presentations to individuals and the Mishawaka contestants as a group. Among these was the distinction of being presented with the Governor's Cup, the highest school commercial award in the State.

In the latter part of the school year, the Commercial Club held its annual picnic, which was well attended.

Much credit is to be given to the sponsors of this club for their splendid cooperation and advice throughout the year, and especially Miss Perle Marie Parvis, head sponsor of the club, who is spending her last year in Mishawaka High School.

Commercial Awards

# Commercial Contest

The 1930 Commercial Contest was perhaps the most important event in the history of the Mishawaka High School Commercial Club.

Mishawaka's Commercial teams first showed their abilities when they won five out of six first team places, and a total of sixty-nine points, a great majority over the next competitor, in the District Contest, held in Mishawaka on April 12. On April 25, six teams left for the Annual State Commercial Meet at Muncie. Here the competition was very keen, but when the final totals were averaged, Mishawaka's was twenty-one, giving them a one-point lead over Frankfort, and permanent possession of the Governor's Cup, the highest contest award in the State. It is a state rule that any school winning the Governor's Cup for three years, shall keep it as a permanent possession, so Mishawaka has gained a distinctive honor in being the first Indiana School to possess this cup permanently.

Few can remember way back when, one Saturday in October, 1882, a very small group of young men and women, probably not more than a dozen graduates of the Mishawaka High School, met in the high school building of those days to organize a society of the Alumni of M. H. S. With Anna Boyd acting as chairman, Ella Skerritt, Ed. Byrkit, Anna Boyd, and Ella Boyd were elected president, vice-president, secretary, and treasurer respectively. A committee, consisting of Anna Boyd, Mattie Booth and Jessie Whitson, was also appointed to draw up a constitution and by-laws to be presented at the next meeting.

The next Saturday the constitution with by-laws and amendments was adopted, and the Society of the Mishawaka High School Alumni thus became organized "to bind together the graduates of the Mishawaka school."

The class of '86 was the first group of graduates to be honored by being formally installed in the association by an Alumni reception banquet held at the residence of Miss Katie Milburn. The Society grew rapidly with the addition of each graduating class and remained highly active until 1895. Then for a period of fifteen years the society neither held meetings nor was active in any way. In 1910, the Alumni of M. H. S., numbering 282, were called together by Superintendent J. F. Nuner and re-organized. Since that date the organization has remained active except for a period of three years, which was from 1920 to 1922 inclusive.

THE CLASS OF 1887

STANDING—Merion G. Simanton, Harry E. Hurlbut, Ottillie Lang, Dora Powell, Carrie E. Uline, SITTING—J. F. Gaylor, Clara Loose, C. Alberta Pettit, E. G. Eberhart, Ertha B. Wilsnach.

Probably the most important social event of the year in the society's calendar is the wonderful reception and banquet given annually to the graduating class. The class of 1917 started a fund in honor of Miss Mary D. Welch, who was at one time the principal of Mishawaka High School. The Alumni organization has always shown a great interest in this fund, and for the last several years has added large donations to it. These donations have been receipts from entertainments sponsored by the organization. The fund now totals about \$1,000.

From the very beginning the Alumni Association has been successful in all of its undertakings and has always proved a loyal friend to the school.

THE CLASS OF 1930

#### Famous Alumni

#### MISS JENNY TERRY

Miss Jenny Terry, supervisor of music for many years in the Mishawaka schools, has taught music since her graduation from high school. She has furnished entertainment as violin soloist at numerous banquets and other social affairs, and has also taught violin to private students. Mishawaka owes its present high standard of music appreciation to the efforts and achievements of Miss Terry.

#### CHARLES FREDERIC MORSE

After graduating from the Michigan Conservatory of Music, Detroit, Mr. Morse furthered his study of music in Paris. He has lived in Detroit since 1900 except for four years as head of the music department of the State Normal School, California, Pa., and periods of study. Besides being a co-founder and secretary of the Detroit Institute of Musical Art, he is a conductor of men's and women's glee clubs. At present, he is the organist and choirmaster of Grosse Point Memorial Church, besides also being concert organist, pianist, and lecturer.

#### Mr. E. J. W. Fink

Much praise is due Mr. Fink, who, after graduation, entered the employ of the Mishawaka Rubber and Woolen Manufacturing Company as an office boy, but who, through his efforts and splendid work is today the president of the same firm. He has also held several offices of importance in the city. Collecting signatures and rare books is his favorite hobby.

#### Mr. RALPH GAYLOR

Mr. Gaylor has shown his ability and willingness to work for the general welfare of Mishawaka as mayor for eight years and as postmaster, which office he has held for seven years. It was also through his efforts that Mishawaka has procured direct air-mail service. In fact, Mr. Gaylor is so ambitious that he gets up at 5 A. M. to play golf,

#### WARREN RUTH

Warren Ruth, a professor of Pomological Physiology in the University of Illinois, has been a member of the department of Horticulture for twenty-one years. It was through his cooperation and guidance that the fruit growers of Illinois were able to overcome serious problems of fruit growing. Professor Ruth says that his picture proves that his hobby is persimmons and prunes.

#### MRS. VICTORIA GAYLOR JONES

While in Mishawaka, Mrs. Jones was very active as a member of the Women's Club and other organizations of the city. Her active interest in welfare work has always been very outstanding and appreciated in Mishawaka. At present, she is a missionary at the Hindman Settlement School of Kentucky. Reading nature books is her favorite pastime.

## Famous Alumni

#### MRS. W. BUTTERWORTH

As President of the Women's Club and an active member of the Orphans' Home Board, Mrs. Butterworth has shown her ability to help promote the general welfare and prosperity of Mishawaka. She is a very prominent person in the social circles of this city and has always been keenly interested in politics. Perhaps no one is more appreciative of good music than Mrs. Butterworth.

#### Mr. Ralph Jernegan

Mr. Jernegan, a law graduate from the University of Michigan, is one of the prosperous lawyers of Mishawaka. Besides having been the city judge, Mr. Jernegan has also acted as the deputy prosecuting attorney for Mishawaka. He has always been one of the loyal boosters of all the activities of the city and high school.

#### VICTOR EARL PRAHL

Victor Prahl, famous baritone, began his musical career as a piamst under the direction of Mrs. Van Dusseldorp of Mishawaka. While a student and later a teacher at the Chicago Bush Conservatory, he was very active in concert work in Chicago and New York. He then went to Europe as a pianist but returned a praised singer. At present he is a member of the Paris Opera Company.

#### WILLIAM K. LAMPORT

Mr. Lamport, president of Lamport, Fox and Company, national advertising agency, started in business as a newsboy but ended in that work as the managing editor of the South Bend Tribune. He is interested actively in numerous civic organizations of South Bend and is director of the American Trust Company.

#### Mr RAIPH FEIG

Mr. Feig is another graduate from that famous class of 1902. After finishing his course at the University of Notre Dame, he came back to Mishawaka to practice law. Mr. Feig was Mishawaka's first judge, and this position he very capably filled for eight years. After business hours, Mr. Feig enjoys collecting rare books.

#### Mr. Leo Van Tilbury

After the war, Mr. Van Tilbury left the air service and entered Notre Dame to study law. Since graduation, he has been a successful lawyer in the city. Mr. Van Tilbury has just completed a term as city judge, in which office he has shown marked ability as an administrator of justice.

#### CARL W. STILLWELL

Mr. Stillwell, who is now successfully practicing architecture with a well-known firm of architects in New York City, studied in the University of Illinois and Columbia University, where he received his Beaux Arts Institute degree. He is an active member of the Architectural League of New York City, of the American Institute of Architects, and other organizations in that city.

The 1929-1930 Commercial Club began its season of activities with the Vodevil, presented on November 20 and 21. This was the first time the Vodevil, which was very successful, had been given in Mishawaka High School for several years. Through the persistent efforts and ingenuity of Miss Perle M. Parvis, head sponsor of the Commercial Club, a number of acts were presented by an unusually large cast.

Amos 'n' Andy were here "in person"; a large group of boys turned farmer in the "Quart-et"; and a band of gypsies held their campfire on our own Mishawaka High School stage. William Tell "went modern"; a group of prominent students returned to babyhood days long enough to impersonate several well-known people in Mishawaka; and a group of our dramatically-inclined teachers presented a clever and hilarious farce. The program was concluded by a number of interpretative dances, offered by the Girls' Athletic Department, and directed by Miss Grayce Talbott.

The program was so varied and unusual that it held the attention of the audience until the final closing of the curtain.

# Captain Applejack

THE JUNIOR PLAY

Directed by Miss Lora Duguid

On February 19 and 20 the Juniors presented "Captain Applejack," their class play. It was a delightful and well-staged production, highly entertaining because it was so "different."

The story is of Ambrose Applejohn, a very respectable young man, who longs for romance and adventure. In the second act he dreams the adventure, picturing himself a bold pirate leader and the others around him as characters in a mutiny on his ship. In the third act he is so overwhelmed with adventures in defending a hidden treasure against real and clever criminals that he loses his taste for it and finds romance in the love of his quiet little ward, Poppy Faire.

The members of the cast showed the results of the fine coaching of Miss Duguid as well as decided natural ability. The leading characters, Richard Seaman, Ruth Spear, June Muldoon, and Bob Fuson portrayed, in the different acts, two distinct and equally difficult, types of characters.

Other members of the cast contributed largely to the marked success of the play.

# The Three Graces

THE SOPHOMORE PLAY

Directed by Miss Dorothy E. Welch

When the class of 1932 presented "The Three Graces" on December 11 and 12, they completely disproved the theory that sophomores should attempt no more ambitious dramatic project than one-act plays.

The large cast exhibited unusual talent in its interpretation of the college group which tries to cope with the problem of the new college tea room. The play was a decided tribute to the coaching powers of Miss Welch.

Louise Schindler showed marked ability in her portrayal of the orphan heiress, Nancy Marshall, who is accused of disloyalty to the school when she permits the school football hero, Bob Nordyke, to break training in her new tea room. Ronald Starkweather played the part of Nancy's admirer and the school's hero, Bob, very convincingly.

The other members of the cast also showed praiseworthy dramatic powers.

Iamit	Robert Fuson
Bulbul	 Geraldine Kelly
Caspian	Melvin Keiser
Ida	Mary Miller
Lilla	Genevieve Hartig
Alain .	Richard Seaman
Justso	Robert Anderson

# Bulbul

Directed by Miss Lucine Jones

The Boys' and Girls' Glee Clubs, under the direction of Miss Lucine E. Jones, presented the operetta, "Bulbul," March 12, and 13.

Like all persons of royal blood, the Princess Bulbul was to be married not for love, but to make an alliance with a neighboring monarchy. This situation is unbelieveable, for the princess has fallen in love with a charming peddler.

Since the peddler is Prince Caspian in disguise, the whole court is thrown into confusion when the princess insists that her peddler elope with her during the ball which is in honor of Caspian.

When the prince is certain that she loves him for himself alone, he reveals his indentity. Meanwhile Alain has won the heart of Lilla, and Ida has ensnared Iamit, so preparations are begun for a triple wedding.

Each of the soloists handled his role capably, while a carefully drilled chorus aided splendidly.

# Royalty Returns

THE SENIOR PLAY

Directed by Miss Margaret Moist

On May 7 and 8 the Senior Class achieved its final dramatic success. The clever, well-cast play, coached so well by Miss Moist, was a highly enjoyable production.

"Royalty Returns" is the story of a young girl, now a princess, who returns to her Indiana home and finds romance there,

Elsie LaCluyze made a charming princess and Phil, the idealist and dreamer, was admirably portrayed by Spencer Walton. The sarcastic but kind hearted Ruby was excellently played by Hope Myers. Stanley Niles made a very good self-made man. Garnet Shapiro as Aunt Meta made a success of a very difficult role. Robert Riley was very good as the rather meek husband who finally carried out his plans, disregarding Aunt Meta and Kate, his wife, played by Ethel Hine. Evadean Renner made a very delightful little girl, and the other members of the cast all exhibited ability.

Membership on the Miskodeed Staff is a distinct honor and is limited to those persons of the senior class who are especially capable and interested in the duties of publishing a yearbook. Publication of the annual is entirely an extra-curricular activity, but it offers students on the staff practical experience in creative writing, thinking, and business management.

Publication of the *Miskodeed* involves a great expense, and, this year, of the twenty-five hundred dollars expended for the 1930 annual, about forty per cent of the budget was derived from advertising. More than thirty-five per cent of the *Miskodeed* funds was raised by the sale of books to students and alumni, while the remaining fifteen per cent of the cost, contributed by the Senior Class, was composed of returns from a paper drive, dances, parties, and the annual class play.

Much credit is due Miss Stearns, faculty adviser of the Miskodeed, and Jane Krail and Rolland Dutenhaver, the editor and assistant editor, for their services in successfully organizing the contents of the volume. The weekly paper published for the school by the journalism class has been a decided success this year. That 750 copies circulated each week in the school is clear proof that this little paper's reflections of the school have found much favor in the eyes of the students.

The Alltold is a powerful factor in promoting high ideals of scholarship, sportsmanship, and interest in school activities. The high standard of ethics under which the project is carried on, and which, among other things, calls for accuracy, courtesy, generosity, and adherence to the ideals of the school, makes it equally pleasing to everyone.

Besides these results of *The Alltold's* work, any of the students who so eagerly look forward to Wednesday afternoon will tell you that each succeeding issue of the paper means more news, features, jokes, editorials, serial stories, as well as announcements, and as many other interesting features as any reader would possibly imagine or desire. M. H. S. students have found how vitally necessary this paper is to their school life and have clearly shown their regard for *The Alltold*.

When is a "dead Language" dead? Due to the efforts of the Mercurius staff, which is composed of members of the Cicero class, Latin is far from dead at Mishawaka High School. This staff publishes a Latin paper containing news, articles, jokes, exchanges, and editorials which are eagerly read by all Latin students as well as others.

The Mercurius was founded in 1922 through the efforts of Miss June Eddingfield. The profits derived from the sale of the paper have been used to purchase many articles for use in the Latin rooms.

In exchange for the *Mercurius*, the Cicero class receives many interesting papers from all parts of the country, ranging from Virginia to California. Many of the exchanges are written entirely in Latin.

Much credit is due Miss Wyland for her aid in revitalizing Latin, for she is greatly responsible for the interest many students have in the subject.

Since its organization five years ago, through the efficient direction of Mr. D. F. Wood, the band has rapidly grown into a well-trained group of musicians.

Any student who plays an instrument or who is willing to learn to play one owned by the band is eligible to membership. Every Tuesday evening a meeting is held for the purpose of practice and instruction.

Everyone enjoyed the music offered by the band at this year's football and basket-ball games,

The band has adopted an awards system whereby an attractive monogram is presented to those who are three-year members, and an additional distinctive award to those offering longer service.

In February the band presented its annual concert, featuring some unusually fine numbers and winning the admiration of a large audience.

The instrumentation is as follows: bass, Glen Saltsgiver, Herbert Germann, Chester Powell; trumpets, Thomas Hutchinson, Eugene Yeomans, Norman Hathaway, Carl Rohleder, Carl Gilso, Darwin Heeter, Pete Leeper; drums, Gerald Conrad, Robert Tipp, John Brant, Durward Beard, Robert Nehmer, Charles Lyons, Ernest Pirka; saxaphones, Jacob Schmidt, Warren Ritter, Lester Robinson, Vernon Bailey, Roland Smith, Harlowe Kelley, Wadsworth Cripe, Lawrence Peterson, William Thomas, Berneil Weesner; trombones, Kenneth Robinson, Norman Smith, Raymond Badger, Bernard O'Reilly, Robert Kelley, E. W. Gibson; mellophones, Charles Hull, Robert Fishburn; cornets, Louis Gilbert, Richard Shaffer, John Denslow; clarinets, Victor Maggioli, Roy Grisamer, Paul Fechner, George Long, Marvin Bolin, Lester McGriff; xylophone, Lloyd Imus, Howard Steele; baritone, Alvin Hamilton, Stanley Perkins; flute, Hardy Matson; French horn, John Squires; drum major, Kenneth McMillan.

Under the competent direction of Miss Lucine Jones, our new music instructor, this year's orchestra produced some unusually fine selections.

The organization is composed of all those students who play such instruments

as are used in the orchestra, and who wish to join.

This year the orchestra played for all high school plays, programs, and several assemblies, besides presenting a musical program, in which the talent of its members was well displayed. It also furnished the accompaniment for several outside events. Several trios and duets were formed by those members of the orchestra who possess unusual talent. These groups played at many programs and community organizations during the year.

# Girls' Glee Club

The group of talented girls chosen to have the honor of representing Mishawaka High School's music department as the Girls' Glee Club won a very enviable reputation in many organizations outside the school as well as with the students this term. Their natural ability, combined with the excellent training they so clearly showed, brought them into great demand.

They have sung at a number of gatherings, including the District Chorus at South Bend in October, the Music Week program during the first week in May, and the commencement exercises at Mishawaka High School, as well as before several organizations. They presented a very delightful program to the Parent-Teacher Association, and the Christmas program at which they sang for the students has remained an outstanding event of beauty and enjoyment in the minds of many. They gave their ability to many different affairs during the early part of the term, although they spent most of the latter part in working on the operetta, "Bulbul," which the combined glee clubs presented on March 12 and 13.

The high record which the girls attained for themselves under Miss Jones' supervision made it a distinct honor to a girl to count herself a member. The Glee Club was very popular in school, and any program in which the girls had a part was sure of an enthusiastic reception by any audience.

# Boys' Glee Club

The Boys' Glee Club is a representative of the vocal department of Mishawaka High School, and is composed of all boys having superior voices. The club holds regular practices and is under the direction of Miss Lucine Jones.

This well-trained group of boys has proved to be very popular as a source of entertainment at many school programs as well as at many local civic organization meetings. During the season several assembly programs were under the direction of the Boys' Glee Club in conjunction with the girls' division. At Christmas time the two clubs presented a group of carols and Yuletide songs. Their splendid selections were very enjoyable and the assembly one of the most delightful held this year.

The Boys' Glee Club presented a program at a meeting of the Women's Club, and during National Music Week, May 4 to 10, contributed its part toward making the observance successful in Mishawaka.

On March 12 and 13, as a culmination of their praiseworthy performances, the combined Glee clubs presented, under the direction of Miss Jones, the comic operetta, "Bulbul," which proved to be very successful and entertaining.

## Sextette and Quartet

The Girls' sextette and the Boys' quartet are chosen from the combined Glee clubs and are under the direction of Miss Lucine Jones, music supervisor of Mishawaka High School.

The sextette holds regular weekly practices, and has entertained at several social affairs. The girls sang at the Commencement exercises of the 1930 graduating class.

The Boys' quartet has sung at many school entertainments, including the Hi-Y banquet and several general assemblies.

The combined groups presented a musical program over WSBT April 25. The selections were well-received.

# Frank M. Steele

Since the year 1924 there has been a "new order of things" in Mishawaka High School athletics. It was in the fall of that year that the commanding personality of Frank M. Steele took over football coaching duties. Gridiron elevens representing M. 11. S. in the following years established enviable records and put the Maroon grid reputation on a sound basis.

Two years ago came the announcement that Frank Steele had been promoted to the position of head athletic director. It was the belief that under one head the production of Mishawaka athletic teams would run more smoothly than before. At the present time more boys are participating in athletics than ever before and, while Mishawaka is seemingly at the bottom of her athletic cycle, promising material should have a beneficial effect on the standard of Maroon teams within the next few years.

It is not too much to anticipate that the present coaching regime headed by Frank M. Steele should prove one of the most efficient ever established at Mishawaka High school. Consequently, there is a great future for athletic teams under the banner of the Maroon and White.

# The Season

Representatives of Mishawaka High School on the field of football during the season of 1929 went down in defeat on seven occasions and were able to achieve but a single victory in their game schedule, one of the least-successful records established by the men of the Maroon in the last ten years of their prep gridiron competition. Lack of a suitable practice field on which to prepare for one of the stiffest schedules ever carded by school authorities probably had much to do with the poor showing made, although a quantity of injuries, ineligibility, and a scarcity of material of the type needed were responsible to some degree.

Dope was scattered to the four winds in a surprising season-opening defeat at the hands of Sheridan, Indiana, when the Maroons re-

turned home from the downstate city of several thousand persons with a 12-7 defeat against them. A blocked kick and a sleeper pass play proved to be the downfall of the Mishawakans, who scored their lone touchdown in the final minute of play. The losers plainly showed the need of practice in their trial tilt, although Hoerstmann's punting and the line play of Captain Conway and Ray Kronewitter were the bright spots of the afternoon.

Premonition of a losing season came in the loss to Emerson of Gary in the second game by a lop-sided score of 25-0 at the South Bend school field, where the game was played because of the unsuited condition of the Mishawaka gridiron. Sparkling runs by

Anderson, sophomore halfback on the Emerson crew, put almost unstoppable velocity in the attack of the Golden Tornado. A well-executed Emerson passing attack pushed the losers back into their own territory during the major part of the game, and they passed midfield on only three or four occasions. Powerful thrusts by Lattimer, Maroon back, featured his team's attack.

Fleet Benton Harbor backs ran wild in the final quarter of the third game of the season for Mishawaka to chalk up four touchdowns and finish on the long end of a 39-0 score at Filstrup field in Benton Harbor. The halftime score was 6-0 in favor of the Harborites, one of Michigan's strongest outfits, but misdirected Mishawaka passes were readily intercepted by their opponent's secondary in the late half and just as promptly converted into scores. Johnson, a 130 pound fullback, Frakes, and Bishop were the ground-gainers

who convincingly outguessed and outsped the Cavemen. Victory in a preliminary game went to the B. H. S. Cubs for their 13-6 decision over the Mishawaka reserves.

Offense formations which clicked with precision took their toll together with inadequate Mishawaka defense in the fourth game of the grid season at Gleason field, Gary, and eventually battered the Maroons back to register a 34-0 win for a polished and powerful group of Horace Mann footballers. Backs Elser, Cavanaugh, and Johnson were outstanding in the play of the winning team, while passes from Valentine to Nappier were the chief gaining vehicles for the Maroon eleven. It was the second Horace Mann victory over Mishawaka in as many years,

Power in a first half drive accounted for a 26-6 Goshen victory over Mishawaka at the South Bend school field in the fifth start of the season for the losers, whose lone score

came in the last period on a neat seventy yard sprint following an intercepted pass by Claycomb, substitute halfback. Although George and Yoder, Goshen aces, tore off great chunks of yardage in the initial half, the Maroon line and secondary defense rose to new heights in the last half to stop further scoring by the Byers crew. Runs of thirty-five and twenty yards by Claycomb and Valentine, respectively, featured Maroon advances.

Victory came to the Maroon and White for the first time of the season when successful kicks from placement following a pair of touchdowns in the second quarter of the contest at Rice field, Elkhart, in the third and final quarters as climaxes to the remarkable line-plunging and open field running of Captain Ronzone, powerful fullback. #### JUST BEFORE THE SNAP

In the Maroon backfield Albright, Valentine, and Nappier performed well,

An open date followed the Elkhart victory and gave the Mishawakans ample time to prepare for the annual renewal of traditional athletic rivalry with the Orange and Blue gridders of South Bend on the school field of that city. Cheered by their brilliant win over Elkhart on the preceding week-end, Coach Frank M. Steele's pigskin chasers went through practice sessions with a zeal which even disregarded snow flurries, and were in tip-top shape for their struggle with the Benders on Saturday afternoon, November 2. An attendance of more than 9,000 rabid fans gathered to witness the classic of Hoosier state high school football, which was not held at the usual scene, Cartier field, Notre Dame, because of construction of a new stadium there. Both elevens fought with a fury and were deadlocked in a scoreless tie until the third quarter when the Bruins, on a break, recoverd a Maroon fum

Following that, the Mishawaka defense, became demoralized and gave ground to a rising Bender attack which rang up 20 points to the Maroon's none before the end of play came. Basker, spectacular back on the winning team, and Albright of the Caveman troupe were in the individual limelight. With the exception of the last quarter, the losing line played air-tight ball, and had the Maroon offense carried the necessary power the verdict might have been different. With the South Bend victory went possession of the "hickory stick" trophy, symbolic of grid supremacy between the rival schools. Plenty of color attended the Bear-Caveman grid epic, and the atmosphere fairly crackled with the super-charge of pep and enthusiasm present in the undaunted cheering sections of both

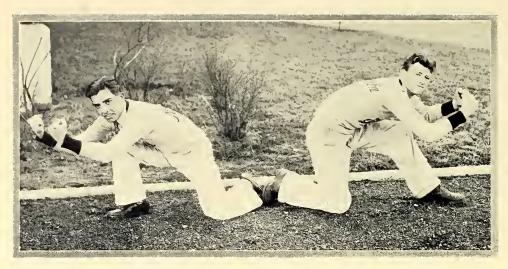

schools. Outgained and outsmarted, the Mishawakans yielded to a superior aggregation which capitalized on its advantages for points

Seven senior men played their last for Mishawaka io the final game of the card with Kokomo, away, which was a heart-breaking loss to the Wildcats by a 7-0 margin after the Maroons had thrice advanced the oval past the five-yard stripe of their opponents. It was the seventh loss of the year for the Steelemen, and the seniors who bade adieu to high school football were Capt, Conway, John Kronewitter, Franklyn Kyle, Riley, Walton, Valentine, Carpeoter, Harris, and Morashi. Vicious charging by the collective Maroon forward wall was a feature of the Kokomo homecoming tilt. As far as statistics are concerned, the Mishawaka eleven far outshone their conquerors, but faulty generalship and poor choice of plays at crucial times caused the Cavemen to fall.

Lawrence McCoy and Raymond Ritchey were selected as the 1930 cheer leaders, by Athletic Association members, from a large number of candidates deserving this position. Most remarkable is the fact that the sophomore candidate, Lawrence McCoy, received the honor of being head leader, a position usually held by a senior. Ray Ritchey being a member of the varsity basketball team was unable to lead except during the football season.

Captain Clawson

# Basketball

Prospects for Mishawaka High School's strength on the basketball court were only fair at the beginning of the 1929-30 net campaign. Coach Edward B. Heifner had taken over coaching duties in this line of sport for the first time and was confronted with the task of building a five from the varied material remaining from the mediocre Caveman quintet of 1928-29. True, with the exception of Captain Lee Ritchey, and several others, the entire varsity squad of the previous year had remained intact for play in the coming season, but a great deal of reorganizing and rebuilding of varsity timber remained for the new Maroon mentor, Heifner.

Mishawaka's building campaign began with the innovation of a novel "three varsity" system, introduced by Coach Heifner, and the result was that more than fifty games were scheduled for the "A," "B," and "C" varsities, as they were termed. Significant is the fact that only two seniors were carried on the first thirty basketball men who made up the trio of Maroon teams. Developing and seasoning of underclass material was the purpose of the "B" and "C" teams, each of which had a regular schedule of games of slightly less length than that of the first team proper.

As the case was with the Cavemen footballers, defeat characterized the major part of the Maroon hardwood competition. It was only on five occasions out of the varsity

"A's" uineteen-game schedule that the Maroon and White reigned supreme in victory. Mishawaka, with a final record of eleven losses and two wins in conference games, wound up in a tie for cellar position of the "big sixteen" loop of northern Indiana. In non-conference opposition, the Heifner-coached crew twice defeated Riley of South Bend and closed their season with a win over Ligonier. Mishawaka battled her way to the semi-finals of the annual sectional tourney in the M. H. S. gymnasium before falling the victim of an upset overtime defeat at the hands of North Liberty. Central of South Bend, Mishawaka's traditional rival opponent, won the sectional diadem for the second successive year when she outclassed North Liberty in the final and deciding game of the two-days' play.

Consolation remains for Maroon boosters despite a disheartening and drab season for the netters of their school. Members of the Maroon net squad absorbed an abundance of valuable experience in their numerous losses, for it is in defeat that a team truly thinks and sees its mistakes. The sham of victory is too often blinding to its participants and has a bad effect later. It remains for the Maroon basketeers of this year, who will return for next year's season, with the exception of one senior, to prove their worth and establish a higher record for their school on the court during the coming season. If the same spirit which was seen in the late-season and tournament games is restored to the squad this fall, it is inevitable that Mishawaka again will be proud of her winning basketball teams.

# The Season

Incligibility of several promising men hampered the play of Mishawaka in her season debut with Culver, Indiana, on November 27, which saw the speedy visiting club quell a late Maroon rally to win 30-25. Ritchey and Cook, captains of the losing and winning fives, led their teams in points. Mishawaka lost her next two engagements in rapid succession to Central of South Bend and LaPorte before turning to winning ways. A capacity crowd stormed the Maroon arena to witness the Bears convincingly win over the homelings by a 41-40 decision. It was a clean-cut win for the Benders. Mishawaka traveled to LaPorte on December 13, where she fell before the inspired shooting of the Slicers. The final count was 55-20.

Victory visited the Caveman lair for the first time of the season on December 14, when Riley of South Bend lost to Mishawaka 30-31. Improvement in both offense and defense was noted in the Maroon attack, although the Riley five made a great rally before succumbing. Impassable roads made playing the Mishawaka-Plymouth tilt scheduled for December 20, impossible, but it was played at a later date.

During the holiday vacation the Maroon team was active, engaging in five hard games with Nappanee, Elkhart, Rochester, Michigan City, and Goshen. All were losses for Mishawaka, the scores being as follows: Nappanee 51, Mishawaka

15; Elkhart 32, Mishawaka 17; Rocheser 41, Mishawaka 9; Michigan City 41, Mishawaka 26; and Goshen 21, Mishawaka 4. Mishawaka showed inconsistency, being utterly outclassed by Nappanee, pushing Elkhart considerably, looking powerless to stop Rochester's speedy performers, relinquishing a ten point lead at halftime to score only two points in the latter period and lose to Michigan City, and losing to Goshen in a weird and simal stalling fracas. In the Red Devil encounter, the Cavemen had truly played good ball until their inferiority complex turned the tide for the visitors. The score of the queer loss to Goshen was 2-0 at the half, with Goshen in the lead.

A trip to Decatur, Indiana, turned out unfavorably for the Maroon aggregation as far as winning basketball games, the crew of Coach Herb Curtis winning 46-27 in a fast and exhausting tilt. Plymouth came to Mishawaka on Jan. 12 to play the canceled contest of early season and proceeded to win 29-25. After the second meeting with Central of South Bend had been postponed for several weeks because of an epidemic scare, the Maroons tangled with LaPorte on January 2.4. The Slicers won, 30-17, but not with such ease as they did in their previous rout of the Cavemen. Mishawaka reversed matters in their second game with Plymouth on January 2.4, and this time won the decision 28-25 after a rough fracas. Stepping out in the last period, the Cavemen

chalked up their second win of the year.

On the week-end of January 31, and February 1, the Mishawaka outfit split even in games played, losing to Goshen's Redskins 32-15 on Friday night in their home gym, and winning from Riley of South Bend in the South Bend armory on Saturday evening. A surprise "tall" five inserted in the Riley game provided the fireworks to pull the game out of the fire after the Wildcats had led throughout the play. Mishawaka's rangy five also turned in a creditable performance in the conference set-to with Nappanee in the home gym on February 7, but stubbornly yielded to the Naps, led by "Dip" Lehman, who hit from the field seven times. The final score read 32-17.

Elkhart and Michigan City were the last two conference foes of the season for Mishawaka on the week-end of February 14 and 15. The Maroons went over to the Harbor city on Friday night and returned with their fourth win of the year by a score of 30-24, but went down before an Elkhart team with superior stamina on the Maroon court on the following night. The Blue triumphed 26-21 only after a hard struggle. Mishawaka closed her season with a blaze of victory on the home hardwood on February 22, when she trampled an invading Ligonier team. The score was 35-16 with Nappier and Clawson in leading scoring roles.

#### The Second Team

Mishawaka High School's "B" basketball squad wound up its twenty-game season schedule with a win over Ligonier's subs and thereby marked up its twelfth win of the year as compared with eight losses. In addition to this commendable record the "B" club went to the final game of the annual county tournament at North Liberty before losing to the county champs, Lakeville. A number of varsity men were members of the reserve outfit early in the season but were promoted to the "A" team because of merit shown in preliminary games.

Only two reserve teams in this vicinity were able to defeat the Maroon "B" team on both scheduled occasions during the season,—those being second teams from Goshen and LaPorte, two of the strongest basketball schools of this section during the last season. All members of the "B" team were from the lower three classes and will be eligible for more competition in the years to come. It is very probable that almost the entire 1929-30 substitute club will find a place on the varsity next year.

George Dentino, regular forward on the "B" five, received a silver loving cup at the county tourney in recognition of his high type of sportsmanship in play and his worth to his team. Incidentally, the Mishawakans proved to be the dark-horse of the tourney and advanced to the finals by defeating their arch-rivals, the South Bend Cubs, and North Liberty. Members of the tourney squad were Dentino, Lifke, Van de Walle, Van Paemel, Mallery, Kronewitter, McCay, and Lindzy.

Scores of the "B" team games were: Mishawaka 8, South Bend 3; Mishawaka 28, Madison Township 24; LaPorte 10, Mishawaka 6; Mishawaka 17, Madison Township 16; Nappanee 23, Mishawaka 14; Mishawaka 14, Elkhart 12; Rochester 28, Mishawaka 19: Mishawaka 30, La Paz 13; Goshen 15, Mishawaka 7; Mishawaka 41, Dowagiac, Michigan 6; Mishawaka 24, Plymouth 9; LaPorte 15, Mishawaka 8; Goshen 16, Mishawaka 15; Mishawaka 26, Plymouth 15; Mishawaka 34, La Paz 14; South Bend 10, Mishawaka 8; Mishawaka 30, Tyner Varsity 29; and Mishawaka 24, Elkhart 15.

## The Tournaments

Sectional—For the second successive year, Central of South Bend won the right to represent the Mishawaka district by defeating North Liberty 33-5 in the final game of the sectional tourney in the Maroon gymnasium Friday and Saturday, February 28, and March 1. The Bears, in their defeatless path to sectional laurels, disposed of Tyner, Riley of South Bend, Lakeville, and North Liberty.

Dopesters predicted that a South Bend-Mishawaka final clash was inevitable until little North Liberty pulled the unexpected to eliminate the host five in a 22-21 overtime upset Saturday afternoon, in the upper bracket semi-finals. After that the Benders had little difficulty in outclassing remaining opposition for the crown. Mishawaka won over La Paz and Bremen in the first two rounds of play before meeting her conqueror in a fictionesque battle which was decided by a long basket in the final fifteen seconds of play.

Regional—Winamac, South Bend, Goshen, and Rochester met at the Mishawaka regional on Saturday, March 8, for the second time in as many years to decide which outfit should represent the region at the state finals the following week. South Bend, below form, fell to Winamac 14-11 in the tourney opener, while Goshen showed worlds of power to eliminate Rochester. In the deciding game, the lanky Redskins from Goshen played flawless basketball to outclass Winamac 23-15 and win the right to advance to the finals at Indianapolis. There, competing with fifteen other prep fives which made up the cream of Hoosier basketball, the Byersmen surprised everyone by leading Muncie, who later won her way to the finals with Washington, for the major part of the tilt, only to lose out in the last five minutes due to the sensational shooting of the Bearcats.

## Interclass

Winners in the yearly boys' interclass league and tournament play under the supervision of athletic director Frank M. Steele were the Junior II and Senior teams, respectively. Games were played in the school gymnasium on week nights, and the finals of the interclass tourney between the Junior II and Senior fives were played before the student body on Thursday afternoon, March 20.

A record number of eight teams took part in the intramural play in its duration of practically one month. Three freshman, two sophomore, two junior, and one senior teams were entered.

A silver loving cup, donated by the manager of the Mishawaka Theatre, was won by the senior quintet, which won the annual interclass tourney by defeating the Junior II outfit 25-22, after a thrilling overtune contest in the finals. John Kronewitter captained the senior team, which also included Joe Brady, Spencer Walton, Valentino Dicerto, Virgil Chandonia, Stanley Niles, William Kline, Lawrence Shields, and Clifford Parmley.

League championship went to the Junior II team only after it had defeated the Freshman IA five, dark horse of interclass, in a play-off tilt after the round of scheduled play was completed. Both teams had won six and lost one game during the play and ended their season with a rating of better than 850. The juniors won in the play-off to win the undisputed league title. The senior quintet finished in third place with a record of five victories and two defeats.

Members of the junior team were Raymond Gilliland, captain; Wilbur Barrett, Robert Schalliol, Robert Brown, Jack Hughes, Thurman Dice, and Wilfred Rauch. Boys who played on the strong Freshman IA team were Driscoll, Meuninck, Hutchison, Clark, Kronewitter, Gordon, Fay, and Slabaugh.

During the season the Junior II and Freshman IA teams vanquished the Seniors, but at tourney time the fourth-year men truly hit their stride to best all comers.

# The Third Team

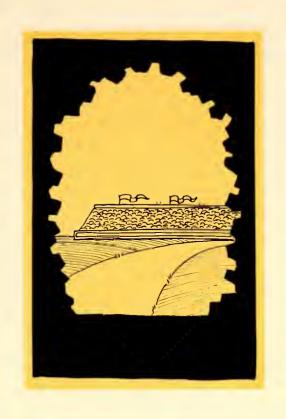

While the Maroon "C" team was instituted primarily to serve as a developing source for underclass material, the Mishawaka thirds did have a regular season's schedule of games and gave good accounts of themselves in all games played. In several cases the "C" five filled in for the "B" team while the latter was in play at the county tourney.

Four victories and two losses are found on the final Maroon "C" team record for the 1929-30 season. Wakarusa and Madison Township reserves defeated the Mishawaka thirds with little difficulty, but the Mishawakans triumphed over the Plymouth seconds, Clinton township, Dowagaic, Michigan, and the Battell Junior High school. All members of the team were freshmen and sophomores with the exception of one junior.

Following are the men who played on the "C" outfit during the season: Fred Hunt, Harold Betzer, Paul Heimbach, Howard Sherk, Darwin Wiekamp, Eugene Mayor, Edward Ellsasser, Leo Alessandria, and Ralph Lindzy. #### Track

The year 1930 was a banner one for Mishawaka High school's track squad under the able coaching of Athletic Director Frank M. Steele and assistant coach Ralph C. Burgess. Outstanding among the commendable accomplishments of the Maroon tracksters in the 1930 season was the 51-39 victory they scored over Central of South Bend on the Maroon oval May 3, which was incidently the first Mishawaka triumph over their traditional Bear rivals on the cinders in the last decade. Riley, the third team in the three-school affair, registered nine points in its maiden year.

A triangular meet with Elkhart and Central of Fort Wayne opened the Maroon season on April 12 at Rice field, Elkhart. The powerful Blue machine had little difficulty winning the meet, piling up 53 points. Mishawaka trailed in second with 24 markers, while Fort Wayne finished last with 22.

Michigan City and LaPorte came to the Mishawaka track on April 19 to participate in a tri-

angular meet with the home cinder artists. It was the sixth annual meet involving the three schools, and for the second successive time the Mishawakans won the affair. The final point total was Mishawaka, 44 1/3 points; LaPorte, 30 2/3 points; and Michigan City, 24 points. Rogers of Mishawaka took both the dashes.

THE SQUAD

Top Row—George Rogers, Valentine Dicerto, John Kronewitter, Albert Lattimer, Wilbur Barrett, Thomas Mallery, Harold Horstmann, Wendell Scudder.

Third Row—Coach Steele, Milo McClure, Hugh Robertson, Foy Holycross, William Kirschbaum, Vernon Valentine, Wayne Good, James Christianson, Richard Shaffer, John Mathias, Remi Couvreur, Coach Burgess.

Second Row—Alfred Trueax, Marvin Bolin, Danny Tamberino, Ivan Albright, Charles Lockridge, John Price, Tony Delio, Ray Kronewitter, Louis Moraschi.

BOTTOM ROW—Manager William Van Der Voort.

Mishawaka's second season setback came on April 26 at Foreman field, Goshen, when the Redskin thinly-clads eked out a 50-49 win in a meet which was hotly-contested all the way. Despite the fact that Mishawaka won all the flat running events, the Redskins were able to win out through their slam in the shot put and their wins in the hurdles, high jump, broad jump, and their tie for first in the pole vault. Rogers of Mishawaka again was a double first place winner in the dashes.

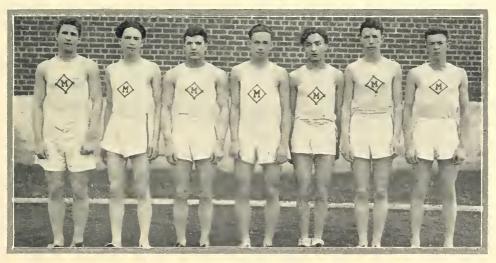

In the Mishawaka victory over Central and Riley of South Bend on May 2, the winners showed plain superiority in running events. Six field records were broken during the afternoon's program, new marks being established in the 220 yard dash, 440 yard dash, half-mile run, mile run, broad jump, and the pole vault. Records in the 100 yard dash and high hurdles were tied. Mishawaka's victory in the mile relay won the Maroons permanent possession of the relay cup donated for that event by the Notre Dame Villager's organization.

At the beginning of the track season prospects were fair, Coaches Steele and Burgess

having only eight seasoned men about whom to construct their outfit. Later underclassmen were developed and at the middle of the season Mishawaka boasted a well-balanced team, lacking only in the weight events. Capt. Charles Lockridge, who has run the halfmile event well for Mishawaka for the past three years and who won second in that event in the state meet at Indianapolis last year, was the logical leader of the squad. Rogers was a veteran in the dashes and usually was a double winner in the 100 and 220 yard sprints. He holds Mishawaka field records for both events.

lory, Charles Lockridge, Ray Kronewitter

John Kronewitter, high and broad jumper, as well as a fast quarter miler, was another of the Maroon best bets, as was Dicerto, pole vaulter, who soared to new heights during the season's meets. Delio, senior, was an excellent half and quarter miler and also was a member of the crack Maroon mile relay quartet. Trueax, also a senior, backed up Rogers in the dashes and ran on the half-mile relay team. Outstanding among the underclassmen who won consistently for Mishawaka were Mallery, jumper, vaulter, and quarter miler; McClure, a freshman, who showed unmistakable signs of future ability in the mile run; Tamberino, bread jumper and hurdler; and Horstmann, hurdler. Albright and Lattimer were members of the half-mile relay team and also put the shot for the Maroons. Valentine was the fastest Mishawaka man in the hurdle events. Ray Kronewitter, a junior, John Kronewitter, Tony Delio, Thomas Mal. showed flashes of ability in the quarter mile and broad jump and will undoubtedly be a valuable man next year.

Mishawaka's crack mile relay quartet of Lockridge, Delio, John Kronewitter and Mallery or Ray Kronewitter hung up some fast times and did not meet defeat during its regular season. Ralph Burgess devoted special coaching attention to the group and developed a truly strong combination. Probably its fastest time of the season was made in the Goshen meet when the distance was negotiated in 3:46.

### Baseball

About six veterans remained from the Maroon baseball team of 1929 and formed a fair nucleus for Coach E. B. Heifner to build his 1930 diamond aggregation around. Joe Brady, senior and experienced catcher was elected to lead the squad through its stiff eight-game schedule.

At the time of this writing the Caveman baseball performers had not suffered defeat in scheduled games, although Central of South Bend had defeated the Maroons in a pre-season practice game. Following that the Mishawakans disposed of two conference foes, Nappanee and Goshen, in quick succession and were to oppose Michigan City, LaPorte, and Central of South Bend before the close of their conference season. Goshen and Nappanee also were to be played again to complete the card.

Nappanee fell before the Maroons on April 22 under a 6-2 score. Voorheis' curves puzzled the Naps and their total of hits was four. Meanwhile the Heifner crew amassed seven bingles and fielded well to win handily.

Captain Joe Brady

Goshen was the second Maroon victim and lost in a 22-3 rout on Foreman field, Goshen, April 25. Four Goshen hurlers failed to stem the tide of Maroon hits, although field errors were largely responsible for the unbelievable total of Mishawaka runs. Vande Walle and Carpenter shone in hitting, each smashing out a home run. Voorheis pitched well, holding Goshen batters to four blows.

THE TEAM

Top Row—Robert Cook, Raymond Ritchey, John Housand, Charles Hahn, Clifford Parmley, Ellsworth McCay, Warren Voorheis, Edward Carpenter, Ivan Albright, Alva Hamilton, Gerald Tobey, Coach Heifner.

Bottom Row—Lawrence Shields, Maurice Roalandts, Andrew Van Paemel, Joe Brady, Raymond VandeWalle, Edward Clark, Francis Claycomb.

William Thomas, Eugene Mayor, Roy Rupe, Rolland Dutenhaver, William Waidner, Charles Feig, Isadore Rosenwasser.

## Tennis

The M. H. S. tennis team has only two regulars, Waidner and Dutenhaver, back this year. For the other members, Mayor, Rupe, Feig, Rossenwasser, and Thomas, this will be their first year on the team.

In the season's opener with South Bend, May 2, the new material showed up surprisingly well, the score resulting in a 3-3 tie. With a little more fair weather and practice, this year's tennis season may again be successful.

William Waidner and Rolland Dutenhaver, both four year men, will be the only two that will not be back next year.

#### Officers and Directors

The results of the G. A. L. election of officers were as follows:

Mildred Poorman Vera Jewell	 President
DOROTHY DENTON	 Secretary-treasurer
MARY WINEY	 Board of Control

#### Managers

MILDRED ALBERT	 Volleyball
Doris Eberhart	 Busketball
MARTHA AULENBACH	 Baseball
CHARLOTTE DAILY	 . Track
Doris Eberhart	Tennis

#### Entertainment

MILDRED POORMAN, SARA JANE FUSON, VERA JEWELL

#### Houseparty

On October 5 to 7, twenty G. A. L. girls had a houseparty at Camp Tannadoonah, Pleasant Lake, Michigan. Miss Talbott, as well as being chaperon, was chief cook, while the girls did their own "bottle washing." The group had a good time, even though they did get "scared to death," steal apples, fall into the lake, and a hundred other mischievous things. Doris Eberhart, Vera Jewell and Charlotte Daily went swimming. They stayed in only fifteen minutes, though. Memories of the houseparty will always be very near and dear to the girls.

#### Color Tournament

Blue, green, yellow, orange, purple, red; the girls drew for their colors on January 10, and they started in earnest on January 27 to practice for the annual color tournament. The beginners were coached by the very able coaches, Cecil Denman, Doris Eberhart and Vera Jewell, who developed three splendid teams. These three coaches are to be congratulated upon their success. The purpose of the color tournament is to get the girls in practice for the interclass games. After all the games were played, the orange team emerged victorious, Hail to the Orange!

#### Winter Sports

You may be sure Mildred Poorman, Doris Eberhart and Vera Jewell had a glorious time sliding and skiing down the hills! Look at their faces! The winter sports included skiing, sliding, skating and tobogganing.

#### Gym Class

This is just a sample of the girls' gymn classes. All sorts of tap dancing, exercises, and games are taught during the regular class periods. The classes participated in the spring gym exhibition sponsored by the G. A. L.

Hockey

Due to the unfinished field, there was no hockey again this year, much to the regret of the departing seniors. The new field, however, will be in fine shape for next fall.

Tennis

The tennis team, including Doris Eberhart, Dorothy Eberhart, Pauline Rupe, Elizabeth Garns, and Anna Keleman is the only girls' team that may compete with teams of other cities. The group has shown fine playing ability this year in winning the majority of games played. Among the teams with which games were scheduled were Buchanan, South Bend, Elkhart, LaPorte and Goshen.

Referees

A few girls are chosen each year to referee games between the grade school girls in volley-ball and basketball. The referees, Mildred Poorman, Doris Eberhart, and Vera Jewell, were very efficient as referees and although they had had little experience, they were a great help to Miss Talbott.

Sweater Winners

When a girl has earned her sweater, she has achieved a great honor. She must have to her credit one thousand points, which may be earned through participating in hockey, volleyball, basketball, track, and other sports. She must have been an active member of her team for at least three years and must have been a leader and an exceptionally fine player. Doris Eberhart, Martha Aulenbach, and Vera Jewell, the three girls who carned the highest honor this year are to be congratulated upon their success, as they have been outstanding athletes.

Dance Club

The Orchesis Dance Club was recently introduced into M. H. S. by Miss Talbott for the purpose of promoting more interest in tap and classical dancing. At the Senior Shuffle the club entertained with some clever tap dances, and their unique costumes added much to the general appearance. Orchesis is a growing organization, and the girls have progressed very rapidly.

Track

Because of the lack of time, there was no extensive track program this year. However, next year, it is planned that there will be. The events participated in by the girls are 100 and 50 yard dashes, hurdles, high and broad jump.

Top Row—Jane Grizzle, Miss Talbott, Mary Weber. Воттом Row—Vera Jewell, Dorothy Eberhart, Doris Eberhart, Mildred Poorman, Mary Fogaras.

# Volleyball

The Seniors, who have shown excellent team work and fine playing ability all through their high school careers, again displayed their power by winning the volley-ball championship of 1930.

Erma Dentino, one of the Seniors' most valuable players, was forced to leave school because of the illness of her mother. Despite this loss, the Seniors were spurred to action and determined to win. Last year they were champions of all sports and, true to their former style, won volleyball this year.

Through the untiring efforts of the student coaches, Doris Eberhart, Dorothy Denton, Erma Dentino, and Mildred Poorman, four very fine Freshman teams developed. The outlook for the future is very bright as there are many excellent players among the freshmen and sophomores which should develop into fine teams.

The class captains are as follows: Freshmen, Ruth Vollmer; Sophomore, Mary Kopsea; Junior, Dorothy Denton; Senior, Doris Eberhart.

This year Miss Talbott introduced something new in school. For the purpose of getting experience in the art of handling the ball, a few girls were chosen to referee velleyball and basketball games at the different grade schools. The duty of these "Baby Referees," as they are called, is to referee, keep score, or watch the lines during the games. There was very little time to do this, this year, but they were active on one occasion, refereeing velleyball games at Beiger Junior High School. The "Baby Referees" are, Mildred Poorman, Charlotte Daily, Vera Jewell and Mary Fogaras.

Top Row—Margaret O'Dell, Mary Louise Beehler, Anna Keleman, Ruth Vollmer. Borrom Row—Muriel Jacobson, Marie Markanich.

# Basketball

Basketball, one of the most popular girls' indoor sports in M. H. S., ended in one of the most interesting and outstanding tournaments of the year. The interest in this sport was almost unanimous and competition stronger than ever. This year sportsmanship and team work were very evident. The teams were evenly matched and the Sophomores won the championship only through hard work and efficient playing. The girls learned how to play the game and how to work in cooperation with their team mates.

The tournament was played in two rounds; each time the underclassmen seemed to have a slight edge over the upperclassmen. The schedule and results of the games follow: Seniors 12, Sophomores 17; Juniors 10, Freshmen 17; Freshmen 8, Sophomores 9; Juniors 6, Seniors 13; Freshmen 10, Seniors 8; Sophomores 16, Juniors 8. These results, which are of the first round only, clearly show that the Sophomores have a strong team.

This championship team is composed of some of the best players in high school. Their playing was superb and their team work was excellent. Despite the fact that they had a marvelous team, the squads of the other three classes were also exceptionally fine this season, and there was very close competition before the Sophomores finally won the crown of victory and were proclaimed champions. The fact that they are underclassmen and have two more years to develop means that as seniors they should have a marvelous team.

The captains of the teams were Mary Agnes Christianson, senior; Martha Aulenbach, junior; Muriel Jacobson, sophomore; and Mary Harrington, freshman.

Top Row—Anna Connon, Lorraine Campbell, Martha Aulenbach, Jean Enyeart. Susan Mary Riley, Margaret Kranitz, Mary Louise Beehler, Aletha Thompson, Doris Peters, Stella Scott, Gertrude Zehrung.

Second Row—Mildred Poorman, Violet Stutzman, Pauline Rupe, Vera Jewell, Mary Jane Bless, Mary Agnes Christianson, Mary Troiola, Ruth Vollmer, Carrie Hardy, Rose Arcta, Mildred Albert, Esther Chell.

BOTTOM Row—Harriet Kamm, Mary Fogaras, Anna Keleman, Dorothy Eberhart, Doris Eberhart, Mary Harrington, Dorothy Denton, Marguerite Albert, Marie Markanich, Muriel Jacobson.

# Baseball

Baseball is another sport which has taken a leading place in girls' athletics in M. H. S. This game is ever becoming successful because it provides an opportunity for the combination of physical fitness and scientific play. It is an ideal game for the girls with plenty of pep, school spirit, and the ability to know what to do at the psychological moment.

If a girl wants to make the team, she must, first of all, be a fair player or at least know the rules. She must not be absent from practice more than three times, for if she wants to be a member of her team, she must be willing to come out and work hard to gain that position. Each year finds more girls for our baseball team, and each year finds competition closer and championship and victory more difficult to gain than during the preceding season.

The captains, with the help of Miss Talbott and the baseball manager, Martha Aulenbach, drew up a schedule of games; each team scheduling two games with each of the three remaining competitors. This plan has been followed for some time, and it is very efficient in determining winners.

The girls had no time to plan a track meet this year so that sport was left out of their schedule, but next year time will be given to this sport, too. The tennis team was active this year, the girls developing a fast game and much improvement was shown among the underclassmen.

Calendar

#### The Calendar 1929-1930

#### September

Tuesday 3—Here we are back to the old Alma Mater again with lots of Freshies to endure for another semester. We wonder if the hall'll hold 'em all.

Wednesday 18—Whoopee! It's the first general assembly of the year—and don't keep ink in your lockers. The Seniors elect Joe Brady as their leader.

Tuesday 24—A real actor from Hollywood has walked in the halls of M. H. S. Yuh don't say—who? Judge Charles Bull—or was it "Abe" himself?

Wednesday 25—Who killed Jack Bryan? Read it in The Alltold, Joe looked so dramatic. I mean when he fell off the chair.

#### October

Wednesday 2—Did you hear those Seniors hollering, "Papers—any old papers or magazines?" They're not rag men either. It's just a paper drive being sponsored by the senior class of M. H. S.

Friday 4—Mr. Cauble gives football team the "once-over," but don't let that hurt your fighting spirit. Methinks 'tis only a challenge to fight harder—so let's beat Horace Mann.

Monday 7—Do you know what's coming in a couple of days? Results of a five-week study period.

Tuesday 8--End of paper drive—I wonder how many of our seniors will be rag men?

Wednesday 9—Everybody is coming to the Miskodeed dance tonight after school in the music room.

Wednesday 23-First snow-Santa Claus is coming.

Thursday 2.4—Say, didn't we have an interesting speaker to-day? He was none other than "Big Rich," poet lanreate of Indiana.

Monday 28—Someone greeted me with a Yo-Yo right in my face. I wonder how soon this silly style will be over?

#### November

Friday 1—Big pep session—Mr. Strome says we can beat South Bend. Can we? I'll say we can!

Thursday 7—The music department entertained us. Who said freshmen didn't know anything? At least Mary Frances can handle that cello.

Friday 8- Ugh-Horrors!! Exams!

Monday 11—Armistice Day! The World War ended eleven years ago today. We made the trip to Mars! Wasn't it fun?

Thursday 26—Thanksgiving—I'll bet yon wish yon had stopped before you swallowed that last mouthful.—Oh—wasn't that turkey good—and that pie!

Tuesday 5—A trip to Mars is promised as if enough subscribe to the Miskodeed. That's fair enough—let's all subscribe!

#### December

Wednesday 4—Dick Seaman is elected editor of the 1931 Miskodeed. Congratulations!

Wednesday 11—The Sophomores made their dramatic debut when they presented "The Three Graces."

Thursday 19—Did you ever see so much snow? If this keeps up, we won't have to go to school, or rather, we won't be able to go.

Friday 20—Christmas vacation begins. Two whole weeks of fun!

Wednesday 25—Turkey dinners, plum puddings, pies and cake—all good things to eat.

Friday 27—And now the parties begin! What girl can't tell of several adorable parties.

#### January

Wednesday 1—"The old order changeth yielding place to new."

Monday 6—Well, here we are back in school again. That was the shortest two weeks I ever enjoyed.

Tuesday 14—The Music Department is getting started on the operetta—it's called "Bulbul."

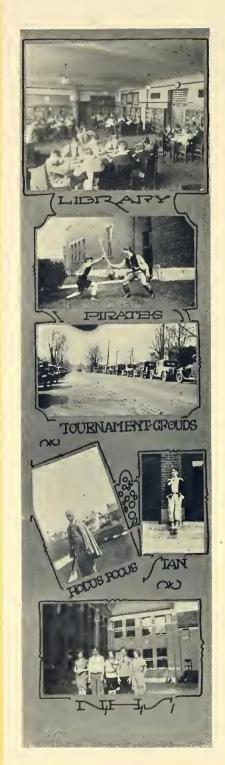

Wednesday 15—"High Nite" was introduced at the Tivoli. Well, boys, you can take your best girl and save thirty cents.

Friday 17—Football hoys receive awards. Poor Bob Riley He is so tiny that Coach Steele didn't notice him, and therefore, had an extra "M" left. Did Bob get it? He did.

Wednesday 22—Exams—oh—hours of misery, gnashing of teeth, biting of finger nails—and then only a seventy-five.

Monday 27—New week—new semester lots of freshies—disorder in study hall.

#### February

Monday 3—Second week and all is well—getting settled again.

Monday 17—Today we were royally entertained by a real Sioux Indian, Isaac Greyearth, of the Flendream Indian School of South Dakota.

Tuesday 18—Mr. Stout, a great literary man, tells us how to do a thing right and how to get the most out of life.

Wednesday 19—Junior Class play, "Captain Applejack." See blood-thirsty Boh Fuson, the handsome Dick Seaman, and flirtatious Ruth Spear.

Wednesday 26—More smart people admitted to the ranks of the National Honor Society.

must win.

#### March

Friday 28—'Ray—Sectional here at last. I wonder—but we must win.

Saturday 1—We lost the Sectional to our rivals, South Bend. We hope they will make use of it.

Wednesday 12—"Bulbul," the operetta to be given by the Music Department, will be given for the first time tonight. Stanley Niles wins the final elimination of the National Oratorical Contest.

Wednesday 19—Horrors! Wasn't that some magician we had here today. Imagine being able to make ice cream from crepe paper and hypnotize people. It must be lots of fun.

Thursday 20—More snow! Old Man Winter comes back for a visit.

Friday 28—Spring vacation begins. The cast for "Royalty Returns," the Senior Class play, has been chosen. Elsie LaCluyze will be the charming princess.

#### April

Thursday 10—Dr. Bright lectured in assembly about the Schick test, and two seniors succumbed to the deadly germs.

Saturday 12—Mishawaka High School wins the district Commercial Contest with sixty-nine points. Good work!

Thursday 17—Miskodeed dance in the music room. Everybody was out. Only ten cents.

Friday 18—Is your arm sore too? We've all been "Schicked" and are anxiously awaiting the "little red spot."

Friday 25—They're off! The Commercial contestants are going to Muncie for the state contest. Good luck!

Saturday 26—The Commercial teams brought home the Governor's Cup. Three cheers!

#### May

Thursday 1—The Junior Woman's Club gave their annual spring hop. It was grand,

Everyone says it is the best production of the year.

Wednesday 7-"Royalty Returns" has it's first presentation.

Wednesday 14—The Commercial Club celebrated with their yearly banquet. Dolores Leyes efficiently filled the position of mistress of ceremonies.

Wednesday 21—The Girls' Athletic League presented a very interesting gym exhibit.

Tuesday 27—A review and display of all articles made in our sbops and Domestic Science Department shows that our vocational departments have been very active.

Friday 30-Memorial Day-Hurray-a holiday!

#### June

Wednesday 4-Commercial Club picnic.

Saturday 7—The greatest event of all—the Junior Prom. Wasn't it grand! Everybody likes to dine and dance cabaret style.

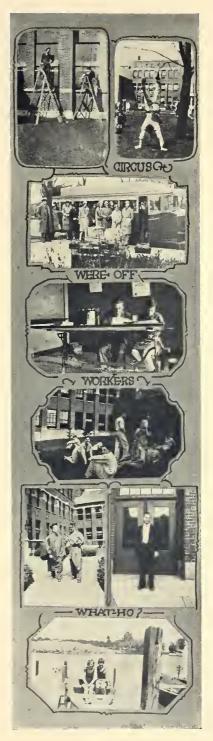

Sunday 8—Baccalaureate services for the Seniors. It won't be long now before they say good-bye.

Monday 9—Senior Class picnic. Here's where they uncork some of that excess energy—and it was a gay picnic, too.

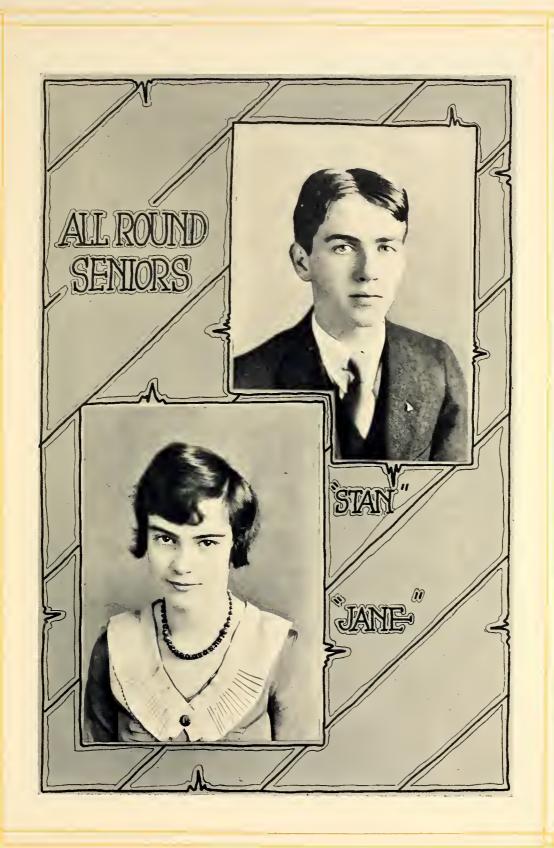

Tuesday 10-Senior Class Day. Another memorable day.

Wednesday 11—Commencement—well, this is the end of it all for the Seniors—but, horrors—exams again—cramming, fainting, studying, horrifying experiences. Will we survive?

Friday 13-School closes.

#### Honor Roll

Thirteen seniors attained an average of ninety or above for four years' work, thus receiving the honor of representing the class of 1930 on the Senior Honor Roll.

The standings of this year's graduating class are unusually high. Jane Krail, who entered from St. Louis, Missouri, had the highest average, 95.13; however, since it is a school ruling that the valedictorian must have attended Mishawaka High School for at least three years, the honor was awarded Marian Curtis, second highest. Stanley Niles was made salutatorian.

Following are the thirteen members of the 1930 Honor Roll arranged according to their four years' scholastic record:

JANE KRAIL
MARIAN CURTIS
STANLEY NILES
AVANELL ROGERS
RICHARD HETHERINGTON
ETHEL HINE
ROLLAND DUTENHAVER
GENEVIEVE HARTIG
IRENE LIPKE
FLORENCE PALMER

### Lester Wiekamp Undergoes Peril

Story As Told By Mr. Wiekamp

With shaking limbs and If through the cloistered halls quaking heart I approached the object of my first interview. The door, on which emblazoned R. EM-MONS, swung open disclosing a man diligently swiveling in his chair. I walked up to him trembling with awe at the daring of the enterprise.

"How do you do," he asked wringing my hand coldly, "I've been expecting you." By the callous on the third finger of your right hand, and the wrinkles in your hose I'm aware of the fact that you are a newspaper reporter. The left sleeve of your coat tells me that you have eaten eggs for breakfast.

My head spun as this startling information was hurled at me. "How can he know this," I asked myself.

Surmising my question he displayed with pride a heavy volume containing the complete works of A. Conan Doyle.

"How did you become interested in schools?" I asked Continued on Page 129, Column 2 Continued on page 129, Column 1

One day our English teacher
Gave back a theme of mine,
And there were some words written
Upon the bottom line.
1 tried and tried to read it;
1 took a microscope—
I even put on glasses—
But could I read it, Nope!
So I asked her to read it—
And this is what she read—
"Please, can't you write more plainly?"
Gee, it most knocked me dead!

"Waiter," growled a customer, "I should like to know the meaning of this! Yesterday I was served a portion of pudding twice the size of this."

"Indeed, sir," replied the waiter, "Where did you sit?"

"By the window," answered the customer.

"We always give the people at the window a large helping. It's a good advertisement."
